

## Nottely Boat Club & Marina Rental & Reservations Policy

### **RENTAL POLICIES:**

**CUSTOMERS ASSUME RISK** for operating any/all rental equipment, including boats and tubes. Nottely Boat Club & Marina (NBC) accepts no liability.

All **DRIVERS** must be **at least 25 years of age**. Photo ID is required.

Nottely Boat Club & Marina **RESERVES** the **RIGHT** to **DENY RENTAL ACCESS** to any person(s), who in the opinion of Management, might create an unsafe boating situation, or where past experience warrants such refusal. NBC reserves the right to repossess vessels from Renters if an unsafe situation occurs.

**STATE LAW REQUIRES** that all boat renters watch the **REQUIRED SAFETY VIDEO** prior to operating a rented vessel. Renters will be expected to sign a contract attesting to having viewed the video. Otherwise, Renters will be required to do so onsite, prior to pickup time. No one may operate the vessel unless they are listed on the paperwork and have also watched the safety video. Find the video at [www.CoollestPlaceInGeorgia.com](http://www.CoollestPlaceInGeorgia.com), under the **BOATER SAFETY** tab.

**DO NOT RUN AGROUND** or **BEACH** vessel for any reason, as this can cause damage to the vessel. All boats are equipped with depth gauges to aid Renters in monitoring lake depth. Renters are responsible for any such related damages, including but not limited to, propeller damage and excessive dirtiness of interior from mud and red dirt, etc.

**RENTERS** shall have **NO CLAIM** upon NBC, as a result of any grounding, breakdown, or failure of the vessel, or failure of its engine or its equipment, and when such incident is caused by the negligence of the Renter, NBC shall have the right for a claim against the Renter.

**EXCESSIVE DIRTINESS** of vessel upon return is subject to an additional cleaning fee, to be determined by NBC personnel, based on the length of time required to restore the vessel to suitable rental condition.

**ABSOLUTELY NO TOWING** of other boats/vessels is permitted using an NBC rented boat.

**TUBE RENTALS with Boat Rentals** are available with 150 HP Sweetwater Tritoons. Limit one tube per boat. Skis and wakeboards are prohibited on boats.

**TUBE RENTALS without Boat Rentals** are also available, subject to availability and refundable Security Deposit.

All **MULTI-DAY RENTALS** must be returned (on return day) 8 hours after arrival day pick up time. Ex. 3 day rental beginning Monday at 10:20 am will be due back Wednesday at 6:20 pm.

**ARRIVE 20 MINUTES PRIOR to scheduled rental times**, to complete required paperwork, safety instruction, and watercraft orientation.

**LATE ARRIVAL** for your reservation will shorten the duration of your rental period - boats must be returned on time.

**LOST TIME** caused by accident, breakdown, or malfunction of vessel, inclement weather, illness, or change of plans are not the responsibility of NBC, and therefore, no compensation or rate adjustments for such will be granted.

**LIFE VESTS** are included with all watercraft rentals. Please let NBC staff know if youth life vests are needed.

**NUMBER OF GUESTS** allowed includes children and may not exceed the posted USCG rated person/weight capacity.

**PETS** - Pets are NOT allowed on rental boats. Failure to comply with the stated policy may result in forfeiture of Security Deposit.

**RENTER AGREES** to report immediately to management any equipment lost, stolen, broken, or damaged, and may be charged for same.

**RENTERS MUST FOLLOW** all **LAWS** and **REGULATIONS** regarding safe vessel operation. Drivers may not operate vessels in an abusive, reckless, or otherwise negligent manner, or while under the influence of alcohol, illegal substances, or medications with warnings against operating heavy equipment or machinery.

**ALL GUESTS** aboard rented vessels must abide by safety laws. Renter is responsible for any damages and/or losses cause by their guests.

## **RESERVATIONS:**

**RESERVATIONS** should be made online at our website at [www.CoollestPlaceInGeorgia.com](http://www.CoollestPlaceInGeorgia.com). Click the BOOK NOW buttons under the **RENTALS** tab. **RENTAL TIMES and RATES** are posted at [www.CoollestPlaceInGeorgia.com](http://www.CoollestPlaceInGeorgia.com) under the **RENTALS** tab.

**PAYMENT** in full is due at the time of booking. A valid major credit card, in renter's name, is required for payment and security deposit. **Cash or checks are not accepted for payment of boat rentals.**

**TAXES AND FEES** are in addition to rental rates.

**FUEL** usage is NOT included in Rental Rates. Rentals will be released with a full tank of gas and must be refilled upon return. (Price per gallon is based on daily rates.)

A **SECURITY DEPOSIT** (Refundable Damage Deposit) will be authorized to the renter's credit card during check-in for the reservation before boats are released. Once the boat is returned and cleared with no damages by NBC personnel, the authorization will be released. Any damages will be charged against the Security Deposit, and the remaining balance, if any, will be refunded. Damages that exceed the Security Deposit will be charged to the credit card on file.

**LATE RETURNS** are subject to a charge per 15 minutes beyond rental return time, per rented watercraft. Returns later than 30 minutes late are subject to forfeit of deposit, as late arrivals may interfere with closing hours, or ability to rent to another customer.
